

A message about your Medicaid renewal

At the start of the COVID-19 pandemic, the federal government declared a public health emergency (PHE), allowing Medicaid members to keep their health care coverage. Per recent federal legislation, eligibility renewals will start again in June. MDHHS will check if you are still eligible for free or low-cost Medicaid coverage. To keep your coverage, you may need to fill out a renewal form. MDHHS will begin sending mailings of renewal notifications beginning this month and continue over the next 3 months based on individuals renewal dates. Please keep an eye out for any mailings, the mailings will be non-descript in basic white envelopes. So please review your mailing closing.
